Dear Mr. Jackson,

My name is Tony Newton and I attend Texas A&M University where my major is Agricultural Systems Management. I would just like to take a minute of your time to say thank you for the scholarship you provided to myself and others. Your support is greatly appreciated by many students as well as faculty. Upon receiving the Samuel Jackson scholarship I was able to attend the Cotton Ginning Systems and Management course sponsored by Mississippi State University in Stoneville and Starkville Mississippi. The school was a great experience where I gathered a tremendous amount of information that I was able to bring back and give me a head start me in many of my remaining classes and activities.

Sincerely,

A handwritten signature in cursive script that reads "Tony Newton". The signature is written in black ink and is positioned below the word "Sincerely,".
